Docket No.: 06-AFC-6 -

14 APPLICATION FOR CERTIFICATION FOR  
15 THE EASTSHORE ENERGY CENTER

16 AMENDMENT TO GROUP  
17 PETITIONERS EXHIBIT LIST

18 On December 6, 2007, Group petitioners California Pilots Association ("Calpilots"), San  
19 Lorenzo Village Homes Association and Hayward Area Planning Association ("Hapa"),  
20 collectively referred to as "Group petitioners" served their exhibits delivering hard copies for  
21 filing and the hearing officer on December 7, 2007.

22 On Monday, December 10, 2007, the applicant's attorney inquired into whether Michael  
23 Toth, whose declarations filed in the Russell proceeding were included as exhibits, was going to  
24 testify. On Tuesday, December 11, 2007, counsel for Group Petitioners responded that Mr. Toth  
25 was "a potential rebuttal witness in air and public health concerning the data which has been  
26 referred to in the Final Staff Assessment and the applicable public records which were included in  
27 our exhibits, including his declarations submitted in the Russell proceeding."

28 Yesterday, counsel for the CEC staff stated the following in an email directed to Group  
Petitioners: "The only testimony Mr. Toth will be offering at the hearing is what is contained in

1 the two declarations you identified last Friday. Therefore, I assume that you do not mean that he  
2 will be offering new testimony on the stand, but that his declarations are a rebuttal of the FSA.  
3 Staff plans to cross examine Mr. Toth on the statements made in those declarations." Based on  
4 this, Group petitioners amend their exhibit list to include those documents which support Mr.  
5 Toth's declarations upon which staff wishes to examine. Attached is that amendment to the  
6 exhibit list, including those supporting documents. Hard copies will follow in the overnight  
7 delivery for the hearing officer.
